Modding | 24th Dec 2008 [36]

It's been yet another incredible year of modding, and we've chosen the best of the best mods featured here on bit-tech for you to vote on. We've got sponsorship from the industry's finest and both modders and voters can potentially win prizes - so what are you waiting for?

Bit-Tech just announced the nominee for their 2008 Mod of the Year contest. This year both Milotic858's C&C GDI War Factory and TiTON's TF2 Sentry has been selected into this elite competition. Bit-Tech only selects the top 15 case mods of 2008 to compete in this contest. To have both Milotic858 and TiTON's cases from IRONMODS to be selected in this great competition is a huge honor.

The great news is that you can vote for BOTH Milotic858 and TiTON's case mod :) Each voter is allowed to vote for 3 cases. The competition will run for two weeks, and the top 3 mods will win some great prizes. In addition, the people who vote will also have a chance to win some great prizes. So it's a Win-Win situation for everyone. So go out there and vote, and best of luck to Milotic858 and TiTON!!!
